AFFINITY EXCHANGE CHECKLIST

Please read this, print it out, put it in your AE binder for reference, and then DO it.

- I understand that my full name and contact data given on the profile is only for Affinity Exchange administrative purposes and is not seen by other members.
- I have set my spam blocker to allow emails from Affinity Exchange
- I know to log on and check my AE Inbox regularly to ensure I don't miss any reaches
- I have read the Booklet on the website homepage and paid especial attention to the "How to" part
- I have familiarized myself with the FAQs in Help Section of www.affinity-exchange.com
- I have read and understood the FAQ entitled "What are the benefits of Gold Membership?"
- I understand that Gold membership renews automatically unless I cancel it
- I have read and understood the FAQ entitled:
"It says 'Join Free'; why is there a cost to upgrade to Gold membership?"
- I understand that per the Terms of Use Agreement, I am not allowed to have visible on my profile: my full name, email address, any websites, phones number(s), or other contact method
- I understand that Marcia wants every AE member to have a least one photo
- I understand that, once a member, the best way to search is by using Advanced Search
- I understand that I can change the status of my profile from Active to Suspend mode
- I understand that to look someone up by Screen Name, I can use Keyword Search and enter the Screen Name in the field labeled "Search for a member by screen name"
- I understand that to do an International search, I go to the country list and scroll up one from USA to where it says "Any country"
- I understand that when I use "Contact Us", Marcia is the first line of Customer Support
- I agree not to write to Support until after I have checked the FAQs
- I agree to avoid using church trademarked terms in my profile
- I have noted that Marcia frowns upon incomplete cycles of communication
- I understand that I should report ANY outnesses to Marcia
- I understand that Affinity Exchange is "powered by DharmaMatch" but I should tell people to go to www.affinity-exchange.com to sign up.
- I understand that the main line of promotion of AE is by word of mouth
- I understand that the membership grows because I tell my friends who tell their friends who tell their friends, and so it grows!
- I have noted that Marcia thinks that ladies appreciate men who pay for Gold membership and can and do send text emails
- I have noted that Marcia thinks that ladies should not hesitate to send the initial smile or email as a kind of "Hello, I'm here and I'm curious about you..."
- I understand that Marcia would like to be notified if I enter into a relationship, and that, should I get married to an AE member, a Success Story and wedding picture is in order.

If you have any questions, feel free to contact me.

Love, Marcia Powell
